

Make your own 3D Ambulance

You will need:

To print this image or be creative and draw your own (remember tabs and fold lines).

Colouring pens or pencils, glue, scissors and card,

Instructions:

Colour the ambulance with colours you think will make it stand out on the road. You can use the internet to help find photos of Ambulances.

Glue the picture to card (a cereal box is good)

Cut out the thick, dark lines and score along the dotted lines and fold/bend all the tabs down.

Glue the grey tabs behind the model.
